Kia ora whānau,

Te Ara Koropiko West Spreydon School is your local school. We are committed to supporting a healthy community by working hard to bring quality education to your family.

Our teachers love their students and go the extra “kilometres” to ensure that the learning needs of children are met in interesting and challenging ways. We love what we do.

Our community has built a state of the art swimming pool and a truly sensational playground. They have invested in their local school so that future generations of children can flourish. In 2020 we will be off site while our school is rebuilt. We are ready for the adventure. We will probably be at the old Spreydon School site on Lincoln Road. Just a walk away.

Please contact us on (03) 3388184. We would love for you to meet some of our senior student leaders and staff so we can talk to you about our school and the future of your children with us.

If you are in our school zone and are planning to enrol your child in 2020 at our school, please call the school office or contact us at admin@westspreydon.school.nz to let us know. This helps us to plan for the future and to allow for out of zone enrolments if there is room.

We look forward to hearing from you and to you becoming a part of the Te Ara Koropiko West Spreydon School Whanau.

Our school values: Attitude Adventure Achievement

Our vision: Te Ara Koropiko West Spreydon School is an important part of the local community; its history and its future.
