Email: admin@westspreydon.school.nz www.westspreydon.school.nz

Kiaora West Spreydon Whanau,

We have organised a hui on Mathematics on **Wednesday 28 March 3:15 to 4:30**. We are concerned that we still have 36% of our Māori students and 34% of our Pasifika students working below or well below the curriculum level for their age.

Whaea Janice (Maths lead teacher) has organised a hui so she can share what we are teaching in mathematics and how we teach maths at school. She will share ideas on what you can do at home to support your child's learning.

We need you and your child to attend. Your child and their class teacher will be showing you how they solve mathematics problems in the classroom.

Programme

3:00 tea/coffee and biscuits

3:15 karakia & waiata

Whaea Janice will share her mihi

Video (3 minutes)

Maths in the home / games

Your child and their teacher will be working on maths problems

4:30 Karakia home

The success of this hui is dependent on us having as many parents with their child/children attending as possible. We need to know if you are able to be here with your child.

You could text me on **021 022 66903** or email me back on ms@westspreydon.school.nz

or

Could you please fill out the form below and send it back to school Monday

Thanking you

Maata, Angie & Janice

.....
I am able to attend the hui on March 28 3:15 to 4:30 with my child/children

I am unable to attend the hui on March 28 3:15 to 4:30

My name is..... my phone number.....

My child's/children's name is/are

1. Room
2. Room.....
3. Room
4. Room
