

Dear Parents/Caregivers,

4 February 2019

We are entering a Year 5/6 Girls Cricket team to play other schools on Friday afternoons this term. The team will have coaching at school during the week and then play games against other schools, either at home or away. There is **no cost** for this and all gear is supplied.

Details so far:

- The game is 8 aside and played on Fridays, starting at 1pm.
- If we have away games I need 1 parent to help me transport the 8 players. You don't need to stay for the game, just transport there and back.
- The season is not long so it is a short commitment.
- If we win, there is the chance of playing in finals.
- There is the opportunity for the girls team to continue Term 4 2019.

We **really** need your support in providing transport, if playing away. If you are able to help or you need more information, please email or return the form below and I will be in touch. The best way is to have a roster of parents taking turns.

Kind regards,
Rochelle Everest
Sports Coordinator
rochelle.everest@westspreydon.school.nz

Please return this form by Friday 8 February

My child _____ in Room ____ is keen to participate in the Year5/6 Cricket team this term.

1. When the team plays away, **I am / am not** able to transport pupils to and from the host school. (Please circle)

I can take ___ pupils.

I have a current driver's license and current warrant of fitness, registration and insurance.
