WEST SPREYDON SCHOOL

Then you put your drink bottle on top of the shoe rack and your shoes in a cubby hole.

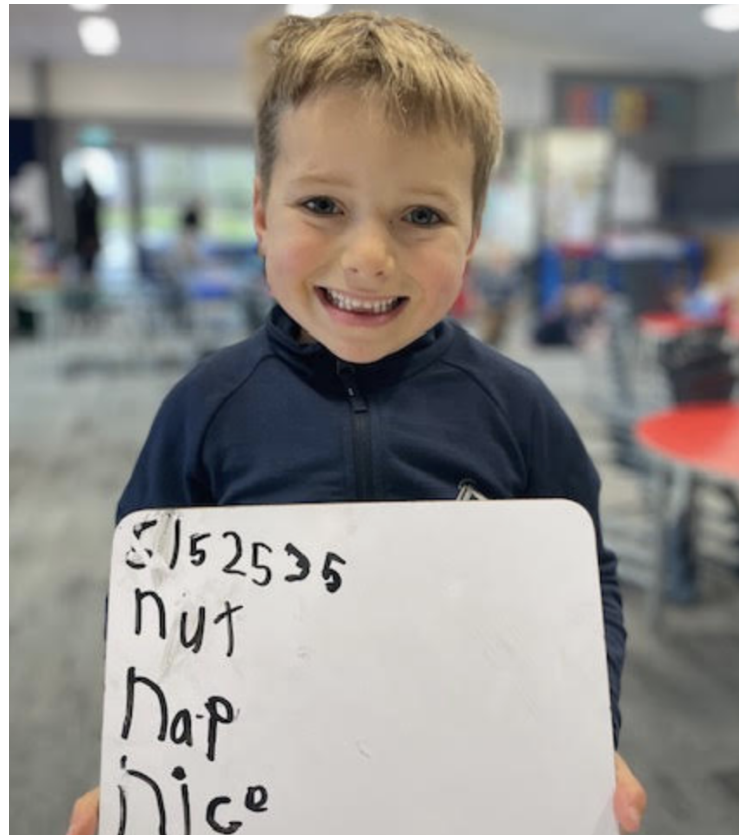

Bring a little fruit snack with you.

You will get a special Tote tray with your name on it.
You will keep your fruit snack here.

At the start of each day, there are some words on the board, which you can copy onto a whiteboard. You'll need to get a buddy to show you where the whiteboard is, a duster and your special whiteboard pen.

Once the bell goes (part of a song), you will join all the other tamariki in the junior school to say a morning karakia and sing a waiata.
Don't worry, you will learn these words fast!

Once you start school, you will get to stay for playtime.

We will give you a buddy.

You will also do physical education, kapa haka, maths, singing, art, science
and so many more fun activities!

We are so excited to see you start your learning journey with us.

See you soon!
