Te Ara Koropiko West Spreydon School
100 Years of Community
CENTENARY CELEBRATION

We are celebrating 100 Years of our kura being an important part of the local community.
Over 10 decades, local businesses, church groups, parents and volunteers, support agencies, charities and the local Ministry of Education office have helped us to bring a very special approach to education in our community.
We are proud to remember the past 100 years and to look forward to building an even stronger future for our tamariki and whanau.
Our School Board is funding a day of celebration and memories for everyone past and present who can be here on the day.
If you have special memories of your time at Te Ara Koropiko West
